Tips for writing a great review:

- Keep them short and to the point. Average iTunes customer reviews are about 200 words.
- Praise books on their own terms, not at the expense of other books or the audience of other books or genres.
- Take the time to copy edit your work so that you avoid embarrassing typos or grammatical errors.
- Do not use profanity or overly sexual language.
- Do not use language that can be construed as hateful, especially in regards to lifestyle, religion, or race.

Excellent book Universal Energy+original HUE method ★★★★★ by @JPMTrader - Aug 17, 2012

This is an excellent book for anyone interested in the study of Universal Energy and a wonderful introduction to the original HUE method.
