What is this book about?

This book contains the full transcript of the first Special Seminar conducted by Master Dang where he introduced the use of the Chakra 6 for the first time. The Master elaborates on many spiritual topics, including

How will I benefit from this book?

Our main goal is to incorporate this very important piece of study material into our HUE Teaching program. There are many ways that you can benefit:

* HUE Students who purchase this book can benefit from the interesting topics that the Master talked about, read, study and train their use of the Chakra 6.

* Certified HUE instructors should include this study material to help prepare the students for the 02 and 03-HUE seminars. Allow students to better understand the concept of the use of Chakra 6, what it does to our bodies and how it can benefit us in the long-term during our journey in the HUE program. It also allows students to ask deeper questions and help provide broader understanding on the topics covered. Aside from practicing the techniques as the Master instructed, students should also be able to understand the core philosophy of the HUE teaching (according to their levels).

* If you are a 02 or 03-HUE (Intermediate level) student already, this book can function as a supplementary material to the understanding of the HUE Teaching within your capacity and your current level.

I want to order. How can I do that?

Because this book is only for students of certain levels, ordering the book is only possible through the HUE Faculty. There are 2 ways in which you can do this:

- 1) Contact one of our Partners, HUE Center or Center Director in your region (recommended).
- 2) Contact the HUE Faculty directly. You must provide a copy of your last HUE certificate so we can process your order. Send an e-mail to info@hue-faculty.com.

If you contact the HUE Faculty directly, please include your name, a clear postal address (street name, city/town, state, zip code and country), and a contact phone number so the book can be shipped to you. We will issue an invoice for you to process the payment via PayPal before we place the order. **All books are shipped from the international printing location closest to where you reside.**

Please, share this information with all HUE students in your region. If you have any additional questions, please contact us. Thank you very much.

Yours truly,

Luong Minh Trung, BSSW, MSW
